(studied for a while at middle school)

# Other interests

---

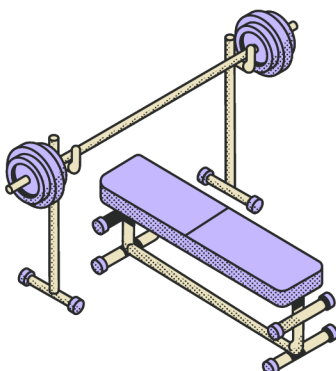

## Piano

I've been playing piano since I was 8, I reached the 8th grade of ABRSM exams at the age of 14 and was ready to enter conservatory but I resigned to follow my other passions. Now I play during my freetime.

My Exam

## Training

I did many sports in my life but with covid I had to stop so I started training at home with a pair of dumbbells and since then I got passionate about bodybuilding and calisthenics. I strive to train everyday.
